# U.S. EXPORT SALES

- Outstanding Export Sales  
(Unshipped Balances)  
On November 16, 1975 \*
- Export shipments in  
Current Marketing Year
- Daily Sales reported  
November 17 - 25, 1975 \*

-- As Reported by Exporters

\* The dates shown on the cover of last week's report should have been November 9, 1975 and November 10, 1975.

Readers of this release are cautioned that it reports sales commitments outstanding as of the date indicated, all of which are subject to modification, deferral or cancellation by mutual agreement of the parties. It is unlikely that all reported quantities will be exported. Our experience with this monitoring system suggests that sales are apt to exceed exports, sometimes by substantial amounts, during periods when supplies are in balance with expected demand. Actual shipments to date may provide a more reliable measure of current export activity. A meaningful export projection is not obtainable by the simple device of adding outstanding sales commitments to exports to date.

U.S. DEPARTMENT OF AGRICULTURE, FOREIGN AGRICULTURAL SERVICE

EXPORT SALES REPORT

Comments on release of November 28, 1975 (based on reports from exporters during the week ending November 16, unless otherwise noted):

Wheat: The apparent export commitment (cumulative exports plus outstanding sales) for 1975/76 increased by 856,000 metric tons (MT). Over two-fifths or 356,000 MT of the total increased commitments were to India including 207,000 MT of white wheat. Commitments to India have now jumped by 1.8 million MT in the last 5 weeks to a total of 4.2 million MT for the year. Higher commitments of 144,100 MT to the USSR apparently reflected transfers from sales previously reported as either optional origin or sales to other destinations. Commitments to Japan increased by 85,600 MT, and commitments to other Asian and Latin American destinations increased by 91,400 MT and 84,700 MT, respectively.

Feedgrains: The apparent export commitment for 1975/76 for total feedgrains increased by 571,600 MT, bringing this year's total commitments to 20.7 million MT. Corn commitments increased by 550,400 MT, considerably below the previous 4 week average increase of 1.3 million MT. Corn commitments to the USSR increased by 141,300 MT, reflecting transfers from optional origin rather than new sales. Other major increased commitments were Spain, 130,000 MT, and the European Community (EC), 121,500 MT.

Soybeans: The apparent export commitment for 1975/76 increased by 188,300 MT, primarily reflecting increased commitments to the EC, Japan, and Poland. Commitments to unknown destinations declined. Exports during the week totaled 470,100 MT, the highest weekly volume recorded so far in 1975/76. After 11 weeks of the marketing season, cumulative exports totaled 3.4 million MT compared with 2.8 million MT shipped during the same period last year. Increased exports reflect improved soybean meal demand resulting from better profitability ratios for livestock, lagging fishmeal production in Peru, and smaller 1975 grain crops in Western Europe. Furthermore, stocks in major markets in recent months have been largely depleted, and Brazil's 1975 soybean crop is now committed for either domestic consumption or export.

Soybean Oilcake and Meal: The apparent export commitment for 1975/76 increased by 103,000 MT, primarily reflecting increased commitments to the EC, Poland, Canada, Czechoslovakia, and unknown destinations. Exports during the week totaled 35,800 MT, down from the 71,000 MT shipped the previous week. After 7 weeks of the marketing season, cumulative exports total 444,000 MT compared with 505,000 MT shipped during the same period last year.

Soybean Oil: Cumulative exports of soybean oil after 7 weeks of the 1975/76 marketing season total 28,000 MT, compared with 67,000 MT at this time a year ago. The decline primarily reflects increased competition from palm and coconut oils and Brazilian soybean oil.

Cotton: The apparent export commitment in 1975/76 for Upland cotton increased slightly despite slower sales activity. New sales, primarily to the Republic of China (Taiwan), more than offset another drop in the export commitment to Japan. The export tempo improved somewhat over the level of the previous two weeks.

NOTE: SEE PAGE 27 FOR COMPARISON OF DATA WITH PRIOR MARKETING YEAR  
AND PAGE 28 FOR TABLE ON STATUS OF EXPORT SALES TO THE USSR.

OUTSTANDING EXPORT SALES AND EXPORTS - 1975/76 MARKETING YEAR
